As America's #1 Mover[®], United understands the potential complications customers may experience during a move. Based on conversations with customers like you, we have developed packages that provide an added level of service and protection to your move. These simple solutions will make your move easier and less stressful.

Additional Delay Payment

United Van Lines values your time as much as you do. If we pick up or deliver your belongings to your new home after the scheduled time, we will compensate you for the delay. *Receive the standard \$125 for each day the pickup or delivery is late, or increase the amount to \$250 with the purchase of most Straight Talk Advantage packages.*

Additional Valuation Protection

The Additional Valuation Protection offering increases your declared Full-Value Protection amount when you choose any of the Straight Talk Advantage packages. *(If purchased separately, every \$5,000 of additional coverage with no deductible is valued at approximately \$40)*

Claim Assist

In the unlikely event of a claim, after contacting United Van Lines with a claim inquiry within 30 days of delivery, we will provide you with considerate on-site help. We help you complete your claim form and have repairs made, or may make an on-the-spot settlement for loss or damage of your belongings. *(If purchased individually: \$165)*

Date Change

We understand better than anyone how difficult coordinating a move can be. Our Date Change service gives you the flexibility to change your moving date without charge. *Waiver of fee is only available with purchase of any of the Straight Talk Advantage packages.*

Destination Debris Pickup

You have a lot on your mind after a big move – cleaning up packing supplies shouldn't be one of them. Just contact us within 30 days of delivery, and we'll pick up your empty cartons and packing material waste. *(If purchased individually: \$145)*

Increased Destination Waiting Time

Sometimes you just can't be in the right place at the right time. Don't worry. United Van Lines provides you with the flexibility you need. If we arrive at your final destination and you're not there, we'll wait. *The standard free waiting time at destination is two hours and is extended to four hours with the purchase of most Straight Talk Advantage packages.*

Straight Talk[®] Gold Standard Protection[®](patent pending)

United Van Lines offers this value-added service option designed to protect your valuable possessions, while making your move as efficient and straightforward as possible. Once you choose your level of Full-Value Protection, you can also receive the following:
